PACKAGING

At SUNNYLiFE we are committed to implementing sustainable and ethical processes.

We are passionate about protecting our beautiful planet and the outdoor lifestyle we have built our brand around.

We are working hard to explore new and innovative ways to reduce our impact on the environment and continue to educate ourselves and evolve in the sustainability space, we acknowledge that this is a journey and we are at the beginning with a big job ahead of us.

As new technology becomes available within our product industry we are committed to exploration, as we are also committed to partnering with global initiatives set up to support recycling in key markets.

Reduce. Reuse. Recycle.

WE HAVE LOVED SHOWING YOU THE NEW SUMMER 26 COLLECTION.

Thank you for taking the time to join us for an exclusive viewing of our collection.

We know there is plenty of excitement around the collection, and we kindly remind you that we share this range in confidence and ask any content captured in today's showing remains confidential.

We also kindly ask that lifestyle imagery, showroom imagery, or any other range assets you are privy too, are not shared on digital platforms until the range is about to land in your retail stores - March 2026.

This is to ensure we protect our IP and the beautiful range our team has worked so hard to deliver. It also ensures you have the best brand experience, and sell through of product once it hits the market.

We thank you for your cooperation.
